

2011 Q2 BUILDING PERMIT STATISTICS SUMMARY

City of Olathe Development Services, Long Range Planning

The residential building permit statistics for the second quarter of 2011, when compared with the same quarters in 2010 and 2009, indicate a decrease in the number of single-family permits. However, multi-family figures for the second quarter of 2011 are higher than the previous second quarter figures. The number of commercial permits has decreased when compared to the second quarter of 2010, but is the same as the 2009 figure. Office square footage figures have increased when compared to previous two years. In 2009, there was one second quarter office permit and zero second quarter officer permits in 2010. This compares to three office permits in the second quarter of 2011. Zero industrial permits were reported in the second quarter of 2009, 2010 and 2011. Public building permits are slightly less than the 2010 second quarter, but are greater than the same period in 2009.

Residential Building Permits

- In the second quarter of 2011, 80 single-family permits were issued with a construction value of \$24.9 million. This compares to 93 single-family permits issued in the second quarter of 2010, and 84 single family permits issued in the same period in 2009.
- There were 13 multi-family units permitted in the second quarter of 2011. This compares with six multi-family units in both 2010 and 2009.

Commercial Building Permits

- Two commercial permits were issued in the second quarter of 2011, 8,189 square feet, with a construction value of \$385,000. In the second quarter of 2010, four commercial permits were issued for 19,420 square feet, with a construction value of 2.2 million. In the second quarter of 2009, two commercial permits were issued for 11,952 square feet, with a construction value of \$758,880.

Office Building Permits

- Three office permits were issued in the second quarter of 2011, 56,883 square feet, with a construction value of \$11.4 million. This compares to zero and one permit, 10,161 square feet, with a construction value of \$1.05 million, issued in the previous second quarters of 2010 and 2009 respectively.

Industrial Building Permits

- There were no industrial permits issued in the second quarters of 2009, 2010 and 2011.

Public Building Permits

- The public construction square footage figure for the second quarter of 2011 was 88,378 square feet. This compares to 84,048 and 223,564 square feet in 2010 and 2009 respectively.

Population Estimate

The population growth is less in the second quarter of 2011 than the second quarter of 2009 and 2010. In the second quarter of 2011, 93 new residents were added to the City, this compares to 99 and 90 in the previous second quarters of 2010 and 2009 respectively.

- The number of residents estimated to be added to the City of Olathe in the second quarter of 2011 was 247.
- The total population estimated for the second quarter of 2011 was 126,745.
- The population figures have been recalibrated to reflect the 2010 Census number of 125,872. This figure was incorporated into the mid-year second quarter of 2010. Previous and subsequent population estimates have been adjusted accordingly.
