

City of Olathe NPDES Phase II Update Meeting

Thursday, March 27, 2008
10 a.m. to 11:30 a.m.
Olathe City Hall, 100 E. Santa Fe
City Council Chambers

Purpose: The City of Olathe is in the process of developing new Stormwater ordinances to address compliance with National Pollution Discharge Elimination System (NPDES) requirements and will present the preliminary summary for feedback from development-related customers.

Who is invited to attend: All those involved in development in Olathe – developers, contractors, architects, engineers, and others – are welcome and encouraged to attend.

Major Topics of this informational meeting will include:

- General requirements of the NPDES Phase II permit
- Executive Summary of proposed Stream Corridor Ordinance
- Executive Summary of proposed Stormwater Treatment Ordinance

Additional information: The executive summaries will be available for review by 3/19/08 on the City of Olathe website at:

<http://www.olatheks.org/PublicWorks/Engineering/NPDES>

To help us estimate the numbers of people who will attend, please contact Faye Upchurch at: 913-971-8763 or fupchurch@olatheks.org if you plan to attend.
