### FIRE DEPARTMENT RECEIVES DONATION

For immediate release: Thursday, May 08, 2008

**CONTACT: Mike Hall (913) 208-7967**

(OLATHE, Kan.) – The Kansas Pipeline Association will present the Olathe Fire Department with a \$1,000 donation next Monday at 10:30 a.m. The presentation will take place at the Olathe Fire Department Administration building at 1225 S. Hamilton Circle.

The donation is part of the KPA's ongoing efforts to promote damage prevention and pipeline safety, according to Pipeline Specialist Eric Lagasse. The KPA selected two emergency response agencies in each of Kansas' seven Homeland Security Districts.

Batallion Chief Ed Reschke said, "We are very thankful for the donation and safety efforts of the Kansas Pipeline Association."
