(OLATHE, Kan.) – The Johnson County medical examiner positively identified Monday’s fire victim as 58 year old John Delmar Dunsworth of Olathe. The medical examiner also cited smoke inhalation as the cause of death. Haley, Mr. Dunsworth’s Miniature Pinscher and companion, also passed in the fire.

Investigators currently classify the fire’s cause as undetermined. The investigation continues into what appears to be an accidental fire.

“Our hearts go out to Mr. Dunsworth’s family and friends,” said Captain Mike Hall.
