**COMMERCIAL
FALSE ALARM FEES EFFECTIVE
JANUARY 01, 2009**

As required in the Olathe Municipal Code 16.12.010 Ordinance #08-80 and effective January 01, 2009 a tiered fee will be assessed against business users for recordable related false alarms.

Any commercial alarm user which has more than one (1) false alarm within the calendar year (Jan 1- Dec 31) shall be subject to the following fees:

# of Recordable Alarms	Fee
1	No Charge
2	\$75.00
3	\$100.00
4	\$125.00
5	\$175.00
6	\$225.00
7	\$275.00
8	\$325.00
9	\$375.00
10 or more	\$525.00
Alarm caused by FA co.	\$100.00/incident

False alarms will reset to zero every January 1.

Fees for false alarm may be assessed, but not limited to, under the following circumstances:

1. Negligent or accidentally activated alarm signals
2. Faulty, malfunctioning or improperly maintained equipment.
3. Defective devices.
4. Failure to take the fire alarm system out of service when testing.

Questions regarding the fire alarm fees should be directed to the Olathe Fire Department, Community Risk Management Division @ 913.971.6333.
