

"After my military service I was looking for a career where I could still serve my country and be part of a team, I found that in the fire service."

"Marvin"

"I really enjoy my job; I get a lot of satisfaction from helping someone in their time of need. I also love the work schedule."

"Brett"

Our employment goal is to attract and develop qualified diverse people for a career in the fire service.

Training and development are essential parts of a fire and rescue service career. Once you've joined the team, you will receive the best training available to meet the high standards of today's fire service.

START A NEW LIFE *and* ***SAVE SOMEONE ELSE'S***

Are you looking for a career
with a challenge?

Do you want a job where every day offers something different, teamwork is not an option but a necessity, and your actions can change peoples lives?

THEN

JOIN

THE OLATHE FIRE DEPARTMENT

DO YOU HAVE WHAT IT TAKES?

Firefighters have one of the most respected and rewarding jobs in the country. Firefighting is tough. The work is physically demanding, stressful, and often uncomfortable.

You could:

- Battle the heat of a house fire
- Pull a victim from a frozen lake
- Cut a roof from a 100' ladder
- Crawl through a dark tunnel
- Rescue someone from a wrecked vehicle
- Perform Cardio Cerebral Resuscitation (CCR)
- Treat a diabetic

Still Interested?

Olathe Firefighters provide Hazardous Materials, Technical Rescue, and Bomb Squad services.

Firefighters Develop:

- Courage and determination
- Caring and compassionate attitudes
- Stamina and good physical fitness
- Ability to remain calm in stressful situations
- Self discipline and ability to follow directions
- Excellent teamwork & communication skills
- Ability to work in a diverse environment
