

Graffiti

In an effort to constantly eradicate unsightly graffiti, the Olathe Municipal Code* requires property owners to remove graffiti within five days of notice.

Graffiti on property can multiply and become a magnet for other types of criminal activity, giving the impression that the neighborhood “does not care”.

Help the Olathe Police Department catch the vandals! Send a clear message that this type of activity will not be tolerated.

- Report all suspicious activity including loitering through OlatheConnect.
- Immediately report and clean the graffiti.
- Use increased lighting around vulnerable areas.
