Refunds cannot be issued for missed parties or cancellations with less than five (5) business days' notice prior to the party. If the Community Center must cancel your party due to inclement weather, water contamination, mechanical issues or any other reason beyond our control, all patrons will be asked to evacuate the pool for same day parties. Closure of the pool could range from 30 minutes to closing for the remainder of day dependent on the issue. If the pool is closed for a prolonged period and it affects your future party reservation, there are three options; 1) reschedule the party to the next available date, 2) keep your original date and use only the party room and a partial refund will be issued, or 3) cancel the event and a full refund will be issued.
