Enjoy safe grilling.

- Always grill outdoors.
- Never grill inside your home or garage.
- Place the grill on a flat and stable surface, such as a concrete patio.
- Place the grills away from things that can burn.
- Keep kids and pets at least three feet away from the grill.
- Before using a propane grill, check the connection for leaks between the tank and the fuel line.
- Keep an eye on the grill.
- Never leave a hot grill unattended.
- Let the coals completely cool before disposing them in a metal container.
- Never place coals in plastic, paper, or wooden containers.
- Install and maintain smoke alarms in your home.
