REQUEST FOR QUALIFICATIONS

FOR

DESIGN SERVICES

LONE ELM ROAD, OLD 56 HIGHWAY TO 151ST STREET IMPROVEMENTS PROJECT

PN 3-C-084-17

The City of Olathe, Kansas, Public Works Department is requesting qualified design firms to submit qualifications for the preparation of design documents for the following project:

This project will improve Lone Elm Road to a four-lane arterial section between Old 56 Hwy and 151st Street along with geometric improvements at the intersection of Old 56 Highway and Lone Elm Road. Improvements will include storm sewer, lighting, bike lanes, landscaping and sidewalks. This project will also include minor modifications to the existing bridge over the railroad. This project has been selected to receive federal funding (STP) in 2020. There is potential for bridge inspection services needed on this project. Please include this information in your proposal.

The project will include survey of existing conditions, utility coordination, cost estimates, acquisition documentation (title reports, surveyed exhibits, easement documents, etc.) needed for any right-of-way or easements, traffic counts as needed, developing construction plans in accordance with KDOT and Olathe specifications, coordination with utilities, the railroad, KDOT and Olathe, assistance with bidding of projects for construction and assistance as needed throughout construction.

Full Request for Proposals can be downloaded from www.publicpurchase.com.

All proposals are due: Thursday, September 14, 2017 by 4:00 pm.
